IMPORTANT – THIS IS NOT A CIRCULAR

WinAccs/WinPay/WinStock v6.35

NB. WinPay payroll users, THIS IS your 2009/10 tax year end release.

- **INSTALLATION. PLEASE ENSURE** you are familiar with our **Installation** routine. This has not changed since the last release. An Installation Guide may be downloaded from our website, or ring our Support Team for a copy.
- **INSTALLATION ON MULTI-USER NETWORKS.** Further information is available from our Support Team to assist with this type of installation. As this is of a technical nature, the recommendations should only be implemented by a competent IT engineer.
- **PLEASE Install this release at your earliest opportunity.** This release contains the **Payroll 2009/10 tax year end** programs, and must be installed in order to successfully process the tax year end.
- **This CD may be installed if you are using Windows Vista or Windows 7.** However, please refer to our Installation Guide for important information regarding the setup.

NEW FEATURE. This release contains a new module for processing sales and purchase orders and invoices in another currency. This module is chargeable and registration will be required to implement it. For further details, please contact our Support Team.

Please ring our Support Desk if you have any queries or concerns regarding the above.

If you would like to book a visit for your installation to be carried out by a member of our Support Team, please ring and ask for our Compact Software Sales Desk. This is a chargeable service, although preferential rates do apply.

When installing this upgrade, you can choose the option to view the upgrade notes for further details of any enhancements to the system. Alternatively, the notes for each module (WinAccs/WinStock/ WinPay) can be found by selecting Help and View Upgrade Notes.

Service Packs. Will be released from time-to-time. At the time of writing, we do not anticipate an immediate SP on installation of this release, but we recommend you check our website or ring our Support Team in case this has changed.

Yours sincerely
